The IPMS Fort Worth Scale Modelers is a non-profit group devoted to the sharing of modeling techniques which hopefully will allow every member to build models of museum quality. Come and join us! We meet the third Monday of each month (except September) at the First Baptist Church of Benbrook, 1015 McKinley, at 6:30 PM. We always welcome new members. Our agendas include slide presentations, films, round table discussions and lectures on modeling techniques. We also give away door prizes! Dues are only \$2.00 per month, with no charge for first-time visitors. We have monthly contests open to any subject, and we welcome the display of any models for those who don't wish to compete. Each September, we hold our big contest, Supercon, and twice a year we hold kit swap/auction fund raisers. We hope to see you at our next meeting.
